

VILLA
DE
SADA

Red

The name of this wine is a tribute to our tiny village, around which our vines are grown and where we go about our everyday lives enjoying our work and the warmth of our friends and family.

Made with Tempranillo and Grenache grapes, this wine displays a brilliant colour with aromas of red berry fruit and a smooth, pleasant palate.

Very good as an aperitif with cold cuts and grilled appetisers or during meals with charcuterie, chicken or rice dishes. Best served slightly chilled (14°-16°C).
